## 1. Finding the Marina

Address is Lymington Yacht Haven, King Salterns Road, Lymington, Hampshire SO41 3QD  
Marina main telephone: 01590 677071

[Lymington Yacht Haven](#)

By exiting the M27 at Junction 2, you can reach Lymington via Beaulieu, avoiding the potential bottleneck at Lyndhurst during the busy season.

## 2. Car Parking and Accessing Boats

Park or stop near to the marina office (in the same building as The Haven Bar/Restaurant), and head for marina reception (upstairs). Collect and sign for the relevant boat keys (ask by boat name and give your name) and car park/facility entry fob (are on the key ring). Also pick up the current marina toilet / WIFI codes.

The office is open 24/7.

Boat Name	Berth
Hanse 345 – ‘Pure Schnapps’	O42
Antares 30 – ‘Pure Passion’	O19

  

The map displays the marina layout with various facilities and safety points. Key areas include the Sailing Club, Seawater Baths, and an Entrance. Berths are labeled with letters A through O and numbers. A legend for 'Businesses On-Site' lists 12 locations. A legend for 'Lymington Yacht Haven' lists 12 facilities. A 'Safety' legend lists Fire Extinguisher, Lifebuoy, and Safety Ladders. Other features include Winter Boat Storage, Summer Car Parking, BBQ, and footpaths to Lymington and Keyhaven.

**Businesses On-Site**

- Nick Cox Chandlery
- Ropewalk
- Jeremy Rogers
- Offshore Powerboats
- Ocean Rigging
- Greenham Regis
- Haven Covers
- Aquasafe
- Lymington Yacht Charters
- Ancasta
- DFD Marine
- James Brooke Academy

**Lymington Yacht Haven**

- Marina Office
- Washrooms
- Haven Bar & Bistro
- Berth Holders Car Park
- Fuel
- Hoist Dock
- Recycling and Waste Disposal
- Footpath

**Safety**

- Fire Extinguisher
- Lifebuoy
- Safety Ladders

## 3. Pure Latitude

There is no Pure Latitude office at the marina.

## 4. Marina Facilities

### 4.1 WiFi

WiFi service is available in the marina. Ask in the marina office for WiFi code details.

## 4.2 Showers, Toilets and Laundry

Shower and toilet facilities are located on the pontoon (H/K) pier, next to the berth holder's car park and in the main marina building. Access is with the security fob or security code obtained from the marina office and it changes weekly.

## 4.3 Onsite Food and Drink

Located next door to the Marina Reception, [The Haven](#) offers fabulous food & drink with full height windows and an extended terrace. Sit back and enjoy your sundowners with views all the way to the Isle of Wight.

Open from 8.00am through to midnight every day in the summer (from 9.00am during the winter).

## 4.4 Chandlery

[Nick Cox chandlery](#) is located at the entrance to the marina. We have an account for bottled gas refills.

# 5. Fuel and Gas

## 5.1 Gas

Gas can be obtained at the chandlery.

## 5.2 Fuel Pontoon

The fuel berth is located next to the main marina building in the corner of the marina (see chart above)

# 6. Local Information

## 6.1 Local Shops

Waitrose, Tesco and M&S Food all have stores in Lymington town centre open 7 days a week.

## 6.2 Local Pubs and Restaurants

There are many pubs and restaurants located a short walk away in the village. We recommend the The Mayflower and The King's Head, both of which serve food.

## 6.3 Useful Links

[Lymington Harbour](#) – Lymington Harbour Commissioners

For more information about the location marinas, visit [Lymington Marinas](#).

# 7. Boating from Lymington

## 7.1 Designated Boat Usage Area

Charts are provided for the Solent and west to Poole and St Alban's head. Please provide your own charts for areas outside this and advise Pure Latitude of your passage plan in advance.

## 7.2 Mooring guidance

Tidal conditions at the mooring are not challenging but please note a small cross tide can run across the berth during the ebb and flood – most noticeable at Springs. To the SE side of O pontoon is a break water. Note that a mud bank extends from the breakwater towards O pontoon – visible at low water (pictured) not at high water. The channel between O pontoon and the mud bank is dredged to 2.5m. Stay at least 10 meters away from the breakwater at all times. The depth transducer reads from the bow, extra care must be taken when going astern or turning not to ground the rudder.

The berths are exposed to winds from the South, and to a lesser extent, the Western quadrant so please bear in mind when berthing. Assuming the prevailing SW airflow is present, you will be blown onto the finger berth.

## 7.3 Destinations

Lymington Yacht Haven is situated at the mouth of the beautiful Lymington river and provides easy access to the Western Solent and a little further West, Christchurch, Poole and Studland Bay.
